

# Quick Tip

**New service offered by**

**USD #110 Thunder Ridge**

## **What is Quick Tip?**

Quick Tip is a web based service that allows students and other stakeholders to be able to anonymously submit tips and report information to school and district administrators.

## **How it works**

Students, staff, parents, and other stakeholders can use the web to access the service. They may choose to communicate anonymously or non-anonymously. Users of Quick Tip can select an appropriate category from a list, identify which school needs to receive the tip, write the message and send the tip. Users also have the option to include an image file.

## **How to access Quick Tip**

Quick Tip can be accessed through a link at [www.usd110.net](http://www.usd110.net) or
